

POLYMERS INDUSTRIAL FUTURE FORUM

July 5th, 2017 - Lyon (France)
EPF 2017 Congress

**Meet the European Polymer Industry as well
as European Public and Private Clusters**

**Know more their polymer activities, technology
trends, needs for the future, and vision for
collaborative approaches**

Plenary lectures: SOLVAY and LEGO Groups

ACTIVATION, ARKEMA, BLUESTAR Silicones, EVONIK, HUTCHINSON, KEM ONE,
LEGO, NEXANS, SAINT- GOBAIN, SOLVAY, TORAY, TOTAL, ...

Industrial Clusters : DPI (NL), LPSE (F), PCCL (A), POLYMAT (E), PROPLAST (I)

Registration: The forum is included in the EPF 2017 Congress fees and special fees are applied
for registration only to the Forum

WEDNESDAY JULY 5, 2017 – POLYMERS INDUSTRIAL FUTURE FORUM

Time	
09:00	Plenary Lecture - Main Room S. KRISTIANSEN - Sr. Director of Technology, Materials, Engineering & Quality LEGO (Denmark) The LEGO Group's Ambition and the Journey towards Sustainable Materials
09:45	Coffee break
	Bellecour 1 & 2 / Chair: J.M. MAS - AXELERA Industrial Cluster Polymers Industrial Future Forum
10:15	A Prospective Platform to Develop Innovation Together P. CASSAGNAU - Lyon Polymer Science Engineering LPSE (F)
10:30	Polymer Competence Center Leoben: Bridging the Gap from Science to Industry M. PAYER PCCL (Austria)
10:45	POLYMAT: Strengthening University-Industry Relationships - J.M. ASUA - POLYMAT (Spain)
11:00	High Performance Materials and Composite Solutions - J.J.FLAT - ARKEMA (F)
11:15	Open Innovation at Bluestar Silicones - S.SCHNEIDER - BLUESTAR SILICONES (F)
11:30	Highly Filled Polymers - P. SONNTAG - HUTCHINSON (F)
11:45	Continuous Flow Technologies for New Functionalized Polyolefin Product Push Collaborative Innovation - V.HENRYON - ACTIVATION (F)
12:00	On-site lunch break / Poster Session
13:30	Plenary Lecture - Main Room / Chair: Patrick VUILLERMOZ - PLASTIPOLIS Industrial Cluster Dr. F. DE CAMPO - Head of Technology Specialty Polymers SOLVAY (Italy) New Horizons for Specialty Polymers
14 :30	Bellecour 1 & 2 / Chair: P. VUILLERMOZ - PLASTIPOLIS Industrial Cluster Polymers Industrial Future Forum
14:30	DPI: Concept, Approach and Success stories in Polyolefins, Performance Polymers and CoatingsDutch Polymer Institute - J. STAMHUIS - DPI (NL)
14:45	Plastic Innovation Pole - M. MONTI - PROPLAST (Italy)
15:00	Polymers in Cable Systems an answer to Megatrends from NEXANS - A.ALLAIS - NEXANS Co. (F)
15:15	On the Use of Polymers in a Mineral World - B. JAFFRENNOU - SAINT-GOBAIN Co.(F)
15:30	Scientific and Technological Challenges developing Industrial Advances Carbon Nanotubes Polyolefin Compounds - O.LHOST - TOTAL (Belgium)
15:45	Coffee break
16:15	Innovation in Polymer Films by Toray - J.FALDYSTA - TORAY Co. (F)
16:30	KEM ONE, a major European Player in the PVC and CPVC industry - P. MOREL - KEM ONE Co. (F)
16:45	Polymers in Pharma and Medical Technology - G. OENBRINK - EVONIK (Germany)
17:00	
17 :30-18 :30	Bellecour 1 & 2 or Main Room / Chair: D. BLANC BSI Panel Discussion - Future of Polymers and Collaborative Innovation
	N.CUDRE-MAUROUX - Group General Manager Research & Innovation SOLVAY F.DELANGE - Advanced Materials and Processes Director SCHNEIDER ELECTRIC G. OENBRINK - Prof. Dr. Corporate Innovation EVONIK A.PONNOURADJOU - Senior Vice President Research and Innovation CTO HUTCHINSON N.SCHERBAKOFF - Research and Innovation Auto Exterior VP PLASTIC OMNIUM N.SEEBOTH - Polymers and Chemical Additives Research Director MICHELIN
